

Leinster Cross Country Championships 2021
Day 3

Senior & Juvenile Uneven Ages

Sunday 7th November 2021

Avondale Forest Park, Rathdrum, Co.

Wicklow

Hosted by: Athletics Wicklow

Welcome from Athletics Leinster

After a two-year gap, following a very successful return to Leinster cross country two weeks ago in Mountain View, Ballyhale, Co. Kilkenny, on behalf of Athletics Leinster, I would like to welcome you all to Avondale Forest Park, Rathdrum, Co. Wicklow for the Athletics Leinster Senior and Juvenile Uneven Ages Cross Country Championships 2021.

I would like to extend our thanks to Athletics Wicklow for hosting this event here today. They've put a lot of hard work into making sure that the course and facilities are ready for competition. Without many willing hands, this would not be possible, and we're very grateful.

A special thanks to our officials and stewards for all their work and effort and indeed thank you to everybody who will help make this day a success.

Finally, and most importantly, I would like to wish all the athletes a successful and enjoyable day. Cross country gives an opportunity for all athletes to contribute to their own club or county performance, no matter where they finish.

Yours in Sport,

Catriona Duffy

Chair

Athletics Leinster

Welcome to Avondale Forest Park, Rathdrum, Co Wicklow

As stated in the Even Ages and Novice Cross-Country programme, Athletics Leinster cross-country championships are up and running again after two years due to the Covid-19 pandemic. It was fantastic to see so many athletes competing again at Mountain View. Congratulations to St Senan's AC for hosting these championships at this Kilkenny venue.

Only a few weeks ago the possibility of no cross-country championships loomed on the horizon. Athletics Wicklow decided that we could not let this happen and put Avondale Forest Park forward as a possible venue. Athletics Wicklow last hosted Leinster Cross-Country Championships at this venue on 26 October 2014. We also hosted the National "B" Championships, the National Juvenile Cross-Country Relays, the Masters Cross-Country Championships and the National Intermediate Cross-Country Championships on 3 February 2019. None of us on the latter occasion could have envisaged the impact that Covid-19 would have on sport.

Avondale Forest Park is changing. You will find areas boarded off or fenced off as the estate undergoes a €16 million redevelopment by Coillte and Fáilte Ireland to provide a world-class visitor destination by late spring 2022. Whether it will be possible to hold cross-country championships at this venue in future is very uncertain, so the Athletics Leinster Uneven Ages and Senior Cross-Country Championships of 2021 may prove to be the swan song for such activity at Avondale Forest Park.

The course is not that which many of you may be expecting if you have participated in cross country at Avondale in recent years, but it is similar to that used in 2014. We have tried hard to make the course as athlete and spectator friendly as possible within the constraints of the area available. We do not have the luxury of the acreage available at Mountain View in Kilkenny. However, what is more important is that Leinster athletes have uneven ages and senior championships at a time when it has proved difficult for many counties to find venues for even county championships.

We hope you will have fine weather and that athletes and spectators will have an enjoyable and memorable day out at Avondale Forest Park. We wish all competitors good luck, knowing that all of you will give the challenge of cross-country running your best efforts for club and county. We would ask you to respect the venue and to take your litter home.

Yours in Sport

Bill Porter
Chairman, Athletics Wicklow
