Respect

Athletics Leinster Officials and Club Officials, who are vital in ensuring our Championships can take place and run smoothly, are to be shown respect at all times. Athletes, parents/guardians and coaches are to ensure that if they have a grievance that the proper appeal procedure is used. Verbal or physical abuse will not be tolerated and will be reported to your club officials and followed up by Athletics Leinster.

Athletics Leinster Appeals Procedure

- Protests concerning the result or conduct of an event shall be made within 20 minutes of the official announcement of the result of that event.
- Any protest in the first instance shall be made *orally* to the Referee by the athlete or someone acting on their behalf. The Referee may decide the protest or refer it to the Jury of Appeal. To arrive at a fair decision the Referee should use any available evidence they feel is necessary. If the Referee makes a decision, there shall be a right of appeal to the Jury. The appeal to the Jury should only come after a decision by the Referee.
- An appeal to the Jury of Appeal must be made within 20 minutes of the official announcement of the amended result of an event arising from the decision made by the Referee, or of the advice being given to those making the protest, where there is no amendment of any result.
- The appeal to the Jury must be presented on the official Appeals Form available on request at "Check-In", signed by a responsible club official on behalf of the athlete or team and shall be made within 20 minutes following the decision of the Referee and shall be accompanied by a €20 fee in cash which will be forfeited if the appeal is unsuccessful.
- The Jury of Appeal shall consult all relevant persons, including the relevant Referee (except when their decision is to be fully maintained by the Jury of Appeal). If the Jury of Appeal is in doubt, other available evidence may be considered. If such evidence, including any available video evidence, is not conclusive, the decision of the Referee shall be upheld.
- The Jury of Appeal may reconsider a decision if new conclusive evidence is presented, provided the new decision is still applicable. Normally, such re-consideration may be undertaken only prior to the Victory Ceremony for the applicable event, unless the relevant governing body determines that circumstances justify otherwise.
- The Jury of Appeal shall, in the first instance, be comprised of the Athletics Leinster Chairperson, the Athletics Leinster Cross Country and Road Secretary and the Track Referee on the day. In the case of a conflict of interest on any matter an alternate shall replace the conflicted member(s) for the determination of that issue. In the event that any member/alternate of first instance is unavailable on the day of competition they may be substituted by the Athletics Leinster Vice Chairperson, the Athletics Leinster Treasurer or such other Athletics Leinster Officers as are present on the day, as appropriate.
- All appeals will be dealt with on the day. The decision of the Jury of Appeal shall be final and there shall be no further right of appeal.
